

Gloss Range

Any design can take shape with Lamicolor Gloss high pressure decorative laminate. It is

- antistatic and dustproof; with a
- high degree of resistance to chemicals, scratching, stains and even boiling water.

This is an ideal product for home furnishings, but it is also perfectly at ease in offices and shops, where it can be used to create showcases, counters and worktops.

Its high resistance and easy maintenance also makes it the ideal partner in uses where constant cleanliness and excellent hygiene are needed, such as sterile rooms in hospitals and laboratories, where it can be used for tops, doors and wall partitions. It also offers a host of different uses in schools, hotels and public buildings in general.

Lamicolor make selecting Lamicolor Gloss HPL easy for specifiers by the introduction of extensive product options. Lamicolor can be purchased in HPL sheets and pressed panels

Please refer to the **Lamicolor Availability Chart** for full details on stocked range.

In addition to the Availability chart a larger range of other decors and thicknesses can be indented from Italy to order.

GLOSS LAMINATE

Lamicolor is comprised of several sheets of Kraft paper impregnated with phenolic resins, plus a sheet of decorative paper and a cellulose overlay impregnated with special melamine resins. The Gloss range is available in 0.7mm Postforming grade high pressure laminate. The complete range is suitable for horizontal and vertical applications. Please see the HPL technical data sheet for a full list of resistances.

Lamicolor's Gloss consists of two thickness .7mm and 1.2mm. 0.7mm is used for Postforming and 1.2mm is available as pressed panel either with single sided or double sided colour. All Gloss panels produced by Lamicolor are made using 1.2mm 2410x1210mm HPL. They are bonded using environmentally friendly PVAC glue can be made using any type and thickness of substrate. Matching to Lamicolor Gloss HPL is 22x1mm edging to provide a seamless look popular in today's design trends.

Specification Notes

Please specify the following information:

Product Code: E.g. L751GS

Colour Name: Bianco Luna

Company Name: Lamicolor

Contact Details: +61755633044
