

E0 Melamine Range

Any design can take shape with Lamicolor Melamine Board . Lamicolor maintains it's point of difference with its texture surfaces and double faced melamine board.

This is an ideal product for home furnishings, wardrobes, offices and shop fit outs where it can be used to create showcases, counters and worktops.

Lamicolor make selecting Lamicolor Melamine easy for specifiers by the introduction of extensive product options. Lamicolor Melamine can be purchased in individual sheets or packs of 30 sheets. Matching to the Lamicolor Melamine range is a 22x1mm edging to provide a seamless look popular in today's design trends.

Please refer to the **Melamine Availability Chart** for full details on stocked range. *In addition to the Availability chart a larger range of other decors and thicknesses can be indented from Germany to order.*
